Sunday 15th September – High Ways and Sky Ways

A report from Jane Feather:

Last weekend some of us took part in an off road event - High Ways and Sky Ways from Charmouth. Generally the routes go out east on the north side of the A35, the longest going as far as the outskirts of Bridport, and then head back via West Bay and the coast path as much as is possible, going over Golden Cap. As you can imagine it's rather tough in places.

There were 3 distances to choose from, 8, 13 and 18 miles. Rachel Baker and Stuart Read completed the 13 mile route in 2 hours 53 minutes and I, Richard Fordham and Ann Marie Pearson (non-Doddler) completed the 18 mile route in 5 hours 20 minutes.

Friday 13th September - ITU World Triathlon Championships Grand Final

Triathlon I know, but an amazing result by Andrew Berry today which I think merits a mention on the DD website - I'm sure he won't mind.

Andrew came 8th overall (3rd Team GB) in the 65-69 age group Sprint Distance at the ITU World Triathlon Championships Grand Final in Hyde Park, London today, Friday 13th September. In often pouring rain around last years London Olympics course, he swam, rode and ran superbly finishing in 1:24:07 for the 750m swim, 20K bike and 5K run; his run time was an impressive 23:35!

Andrew has worked incredibly hard in achieving this result and should be an inspiration to all - clearly proving that age is no barrier to success.

Saturday 25th & Sunday 26th May – Camel Teign Ivor’s Dream 100

Pat tells me that Matt Clayton completed this LDWA 100-miler in 28hrs 57mins. Nice and hot during the day as they crossed Bodmin Moor. Brown Willy was hard! Full moon and a frost got him over Dartmoor to Princetown and then South Dartmoor. Stony tracks took him into Teignmouth. Yes it was fun and feet are fine!

Sunday 26th May – Grand Shaftesbury Run 10km

0:56:34 Sara Cross

I was hoping to do it in 55mins or under but it was such a hot day I did slow for a drink twice. Well that is my excuse. Monday 1st April – Shapwick Bunny Hop 7.5 miles

1:00:29 Jane Ward

I'm really happy as this is the 2nd race where I've been able to maintain a 8 min mile rate. It was freezing with a bitter wind but I soon warmed up and even felt the sun on my back. It was a nice course with gentle undulations, some mud in places but generally pretty dry for the most part.

Monday 1st April – Yeovilton Easter Bunny 10km

0:37:40 Craig Dixon
0:39:37 Ian Pollard

A large field ran the flat Yeovilton course in typically strong near-freezing winds that we have become accustomed to. Craig 'warmed' (?) up for the MDS with an excellent run, proving that he is in fine form before he sets off on Thursday. [He's doing the Marathon des Sables, for those who didn't know.]

Saturday 30th March – Two Oceans Ultra Marathon, Cape Town

6:46:53 Jenny Fuller

Just a quick note to let you know that I finished it before the cut off time of 7 hours! Conditions were perfect apart from strong winds with gusts of between 40 and 50 mph in exposed places and high ground!! Because of little training for Two Oceans -56km/ 34.8 miles - I amazed myself by getting through the first cut off point on route let alone finishing. I went through 42k in 5h.0m (official time 5.02.08) and my official finishing time was 6h.46m.53s. I ran most of the way; I had to walk up a steep 1.5k long hill, but finished running strongly. So I'm feeling very pleased with myself! Surprisingly I've no stiff muscles. Must be the red wine!

Love to you all.

As Roger says: "Great turnout for Race 1 of the club championship and for such a new race. It was pretty cold and the course was quite hilly but was enjoyed by all. Great value too at only 6 quid on the day – shall be looking out for this one next year. Great runs by all the Doodlers and to see so many PB's on such tough course is absolutely fantastic (apologies if I haven't recorded them all). Should be some great competition in the Club and Handicap Championships this year.

Sunday 13th January – Rough 'n' Tumble

1:30:36 Ginny Willey
1:42:04 Jane Ward

Sunday 6th January – Herepath Half

2:12:51 Jane Ward

This multi-terrain race follows the Staple Fitzpaine Herepath Trail in the Blackdown Hills near Taunton and is approximately 13.7 miles long, with a total 1320 feet of ascent. Jane says "It was great fun - hills, sticky clay, mud but also a lot of good running tracks. It still took me 2hrs 12mins though. But 8th of 55 females, 41st overall out of 125 starters, so not too bad. Need to get faster though."
