## Dorset 3 Peaks Challenge

Sunday 29th October 2017

### Instructions to runners

Dear Runner,

Thank you for your entry to this year's **Stickler**. The race, now in its 23rd year is organised by the **Dorset Daddlers**.

**Course Information** - The Stickler is a 10.1 mile multi terrain running race. It involves over 1500ft of gruelling climbing, beginning with the infamous 'Stickle Path'. Runners ascend three locally renowned peaks along the beautiful Stour Valley: Okeford Beacon, Hod Hill and Hambledon. The course is mostly on gravel tracks with some stretches on tarmac or grass, and is not suitable for spikes.

**Race HQ, Information, Registration, Refreshments, Changing, and Kit Storage** - Shillingstone Church Centre - not locked during the race but manned. Sorry - no showers. Please note that this building has recently been refurbished and we are using it with the kind permission of PCC. Therefore, please remove muddy shoes before entry and use the permitted entrance.

**Toilets** - Toilets are provided at the Church Centre (Race HQ)

**Car Parking** - Space is finite so please arrive in good time and consider lift sharing. For those travelling from Sturminster Newton, go to St. Patrick's Yard Industrial Estate. For those travelling from Blandford, go to Shillingstone Primary School. Please note that the school building will not be accessible to runners. Please be aware that the Shillingstone Primary School is an approximate 5-10 minute walk from Race HQ

**The Start - 10.30am** - Lanchards Lane - start making your way there between 10.10am and 10.20am as it is a 5-10 minute walk from race HQ and parking areas. **Please note that the clocks go back on race day!**

**Numbers** - These will be available for collection on the day. Please complete details on reverse. Numbers to be worn on the front of vests - do not fold. Folded numbers or no number means disqualification. Do not run wearing someone else's number - it is against ARC rules and could cause major problems in the event of illness or accident, as well as complicating the compilation of the results.

**Way-Marking & Marshalling** - The course will be extensively marked (wind/rain permitting). Marshals will be positioned at major road/track junctions to ensure runners safety. **PLEASE NOTE, MARSHALS WILL ASK YOU TO STOP, IF IT IS UNSAFE TO CROSS ANY OF THE THREE ROAD CROSSINGS.**

**Drink Stations** - There will be three drink stations positioned at Okeford Hill (1.75 miles), Durweston (5 miles) and between Hod Hill / Hambledon Hill (7.25 miles).

**Race cut-off** - A cut-off time will be strictly enforced at the halfway point. Runners arriving at the halfway point after 75 minutes will be offered transport to the finish.

**Race photography** - This will be provided by David Partridge. Please be aware that photos may be used for media purposes. If you do not wish your photos to be used, then please notify us before the race by contacting [entries@thestickler.co.uk](mailto:entries@thestickler.co.uk)

**Runners with dogs are welcome** - we ask that these competitors start at the back of the field and that short, non-extendable leashes are used. Also, that every courtesy is extended to fellow runners at narrow sections of the race where passing may be difficult.

**The Finish** - Shillingstone station project. If you decide to run back to support others please do not re-cross the finish line. Please note that the station is a 'work in progress' project and care is needed whilst walking around the site. There is a short cut from the finish to race HQ.

**Post-race refreshments** - Hot drinks and snacks are available at the church hall (Race HQ) and the Railway Station (Finish Area).

**Post-race massage** - Well trodden path will be providing post-race massages at race HQ for a small fee of £5 for ten minutes.

**Personal Music Players** - should not be worn by runners or risk disqualification.

**Prizes** All finishers will receive a uniquely designed medal.
